## STATEMENT OF COMPLIANCE

### Cyber security

This statement of compliance is issued under Part 1, Chapter 2, Section 9 of UK Product Security and Telecommunications Infrastructure Act 2022 and under the sole responsibility of the manufacturer.

We, CALEX Smart Home UK Ltd., declare that the following product:

ITEM NUMBER	DESCRIPTION	COUNTRY OF ORIGIN
5102002800	Calex SMART Ball P45 Clear Full Glass Straight filament 220-240V 4.9W 470lm 1800-3000K E14 dimmable via app	China

Is in accordance with:

- The UK Product Security and Telecommunications Infrastructure Act 2022
- The Product Security and Telecommunications Infrastructure (Security Requirements for Relevant Connectable Products) Regulations 2023

and complies with:

- Schedule 1 - Security Requirements for Relevant Connectable Products of The Product Security and Telecommunications Infrastructure (Security Requirements for Relevant Connectable Products) Regulations 2023

Compliance with Schedule 1 is demonstrated through conformity with the following provisions of ETSI EN 303 645:

- Password requirements: Clause 5.1-1 (and 5.1-2 where applicable)
- Vulnerability disclosure policy: Clause 5.2-1
- Security update requirements: Clause 5.3-13

The defined support period is in accordance with Schedule 1 of the Regulations:

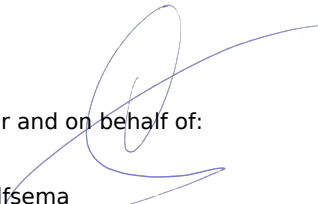

Security updates for this product will be provided until at least 03 August 2027.

During this defined support period, security updates addressing security vulnerabilities will be made available to users.

Our vulnerability reporting procedure on security issues is publicly available at: [help.calex.eu](https://help.calex.eu). Security issues may be reported by selecting "Submit a request."

- You will receive an acknowledgment of receipt of the security issue within 1 week
- We will keep you updated until the resolution of the reported security issue

Signed for and on behalf of:
